

BEST BUDDIES®

e-BUDDIES®

"My students are developing their communication skills, their computer skills, developing friendships, and learning about other areas of our country."

- Rob McMahon, Pennsylvania Special Education Teacher

What is e-Buddies?

e-Buddies is an e-mail pen pal program that helps build e-mail friendships between students with an intellectual disability and their non-disabled peers.

"Because of e-Buddies, e-mail has become something I look forward to, and the computer has become a way for me to make friends."

- Joshua Handler, e-Buddy from New Jersey

e-Buddies is a fun and safe opportunity for your students to:

- Build new friendships and develop social skills
- Acquire much needed computer skills
- Practice reading and writing skills
- Achieve multiple IEP benchmarks through one simple activity

e-Buddies is free for special education students.
